

**THE MOVIE  
AND LUNCHEON**

Sunday, November 18, 1:00 pm, Weber's Inn, Ann Arbor

\$20 per person admission includes an elegant luncheon, a short talk and the show.

In 1982, a television producer saw this Comic Opera Guild English language production in the Michigan Theater and was so impressed, she wanted to film it. With private funding, the show was remounted months later in the Crosswell Opera House and captured for television. Unfortunately, funding ran out before the editing process was complete, and the show was never broadcast.

The musical treasure sat in storage for twenty years until the Guild found a way to finish editing and had the large reels converted to DVD. Now this production, the last work of Stage Director Roger Wertemberger, will be shown to the public for the first time, and you're invited. The luncheon will be followed by a short talk from people involved in the original production and then the show.
