

Comic Opera Guild presents SWEETHEARTS

A Luncheon Theater Presentation

Often considered the composer's masterpiece, SWEETHEARTS is full of joy and wonderful melodies. It is the story of a princess, kidnapped as a baby, who is restored to her rightful place by the love of a prince.

Many of its songs became hits, including "The Game of Love," "Ev'ry Lover Must Meet His Fate," "Pretty as a Picture," and especially the title tune "Sweethearts."

The live performance of this early Broadway favorite has been abridged to fit in with a delicious luncheon buffet prepared by Weber's chefs.

We will gather at 12 noon, and there will be a cash bar. Luncheon will be served at 1 pm and the show will commence shortly thereafter. An afterglow will follow, during which you are invited to meet the cast.
